

PIYUMI MADUSHANI

Software Engineer Intern | Full-Stack & Mobile Development

✉ piyumiinstead@gmail.com | 🌐 [Portfolio](#) | 💻 [GitHub](#) | 🔗 [LinkedIn](#)

ABOUT ME

ICT undergraduate with hands-on experience in full-stack, mobile, backend, and AI application development. Skilled in React.js, Node.js, TypeScript, Python, FastAPI, Flutter, REST APIs, MongoDB, MySQL, Firebase, and Git/GitHub. Experienced in building responsive applications, backend services, and database-driven systems in agile, collaborative environments.

Technical Skills

Frontend

- React.js | HTML | CSS

Backend

- Node.js | Express.js | Python | FastAPI | Django | REST APIs

Mobile

- Flutter | Dart | Firebase

Databases

- MongoDB | MySQL | PostgreSQL | Firebase

AI

- LLMs | RAG | LangChain | Embeddings

Tools

- Git | GitHub | Azure
-

EXPERIENCE

ClanCodeLabs – Sri Lanka

- Intern Project Manager (Apr 2025 – Jun 2025)
 - REST APIs,testing,Git,API integration,real-time communication
 - Intern Software Engineer (Jun 2025 – Oct 2025)
-

PROJECTS

CarePoint – Healthcare Appointment Management Platform

Developed a healthcare appointment management platform with a backend API and mobile application integration.

Developed REST APIs using Node.js, TypeScript and Express.js.

- Integrated backend services with a mobile application and implemented real-time notifications using Socket.IO.
- Designed database-driven functionality using MongoDB and documented APIs using Swagger

Technologies: Node.js | TypeScript | Express.js | MongoDB | Socket.IO | REST APIs | Swagger

Zenaura – Meditation Music Mobile Application

Developed a mobile application that recommends calming music based on users' moods and allows users to create personalized playlists.

Technologies: Flutter | Dart | Firebase

OpenJustice – AI-Enhanced Multilingual Legal Assistant

Developed an AI-powered multilingual legal assistant supporting Sinhala, Tamil, and English.

Technologies: Python | FastAPI | React | LangChain | PostgreSQL | pgvector | LLMs | RAG

Medicon – Healthcare Management Web Application

This website allows users to manage their healthcare needs, including making medical inquiries, selecting doctors, booking appointments, and handling payments online.

Technologies: JavaScript | Web Technologies

EDUCATION

Bachelor of Information & Communication Technology

Uva Wellassa University of Sri Lanka Expected

Completion: October 2026

Relevant Areas:

Software Engineering • Database Systems • Web Development • Distributed Computing • Information Security • Artificial Intelligence • Machine Learning

SKILLS

Soft Skills

- Project Management
- Public Relations
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

Language skills

- Sinhala
- English

CERTIFICATIONS

- Certificate of Completion – Machine Learning Using Python
 - Certificate of Completion – Introduction to Artificial Intelligence
 - Certificate of Completion – Azure Fundamentals
 - Certificate of Completion – Cyber Security
 - Certificate of Completion – CAPM
-

EXTRACURRICULAR ACTIVITIES

- Co-Director of the Professional Development Avenue, Rotaract Club, Uva Wellassa University (2024- 25).
- Member of Leo Club , Uva Wellassa University (2023-24)
- Degree Representative, IEEE Student Branch, Uva Wellassa University (2023-24)
- Degree Representative , Gavel Club, Uva Wellassa University (2024-present)
- Member of Debate Circle, Art Club, Uva Wellassa University
