PIYUMI MADUSHANI

ICT Undergraduate | Software Engineering & Project Management

📧 piyumiinstead@gmail.com| 🌐 Portfolio | 💻 GitHub | 🔗 LinkedIn

ABOUT ME

ICT undergraduate with hands-on experience in software development, application testing, API integration, databases, and project coordination. Skilled in React.js, Node.js, TypeScript, Python, FastAPI, Flutter, REST APIs, MongoDB, MySQL, PostgreSQL, and Git/GitHub. Strong in problem-solving, troubleshooting, teamwork, communication, and technical documentation, with an interest in software development and IT support.

Technical Skills

Programming & Web
- Java | PHP | JavaScript | HTML | CSS

Backend & Frameworks
- Spring Boot | Node.js | Express.js | TypeScript | Python | FastAPI | REST APIs

Frontend & Mobile
- React.js | Flutter | Dart | Firebase

Databases
- MySQL | MongoDB | PostgreSQL | Firebase

IT & Support
- Windows | IT Troubleshooting | Application Testing | Technical Documentation | Networking Fundamentals

Tools & Platforms
- Git | GitHub | Azure | Swagger

AI & Digital Technologies
- Artificial Intelligence | Machine Learning | LLMs | RAG | LangChain | Embeddings

PROFESSIONAL EXPERIENCE

ClanCodeLabs — Sri Lanka
Intern Software Engineer | Jun 2025 – Oct 2025
- Developed and integrated backend services and REST APIs using Node.js, TypeScript, and Express.js.
- Worked with databases and implemented database-driven application functionality using MongoDB.
- Integrated backend APIs with mobile applications and supported application-level functionality.
- Implemented real-time communication and notifications using Socket.IO.
- Performed application testing and API testing to identify and resolve technical issues.
- Documented APIs using Swagger to support development and testing activities.
- Worked collaboratively within a software development environment and participated in technical problem-solving.

ClanCodeLabs — Sri Lanka
Intern Project Manager | Apr 2025 – Jun 2025
- Supported software project coordination, task planning, progress tracking, and reporting.
- Coordinated with team members and followed up on assigned tasks and project activities.
- Participated in daily meetings, sprint reviews, retrospectives, and project documentation.

PROJECTS

CarePoint – Healthcare Appointment Management Platform

Developed a healthcare appointment management platform with a backend API and mobile application integration.

- Developed REST APIs using Node.js, TypeScript and Express.js.
- Integrated backend services with a mobile application and implemented real-time notifications using Socket.IO.
- Designed database-driven functionality using MongoDB and documented APIs using Swagger

Technologies: Node.js | TypeScript | Express.js | MongoDB | Socket.IO | REST APIs | Swagger

Zenaura – Meditation Music Mobile Application

Developed a mobile application that recommends calming music based on users' moods and allows users to create personalized playlists.

Technologies: Flutter | Dart | Firebase

OpenJustice – AI-Enhanced Multilingual Legal Assistant

Developed an AI-powered multilingual legal assistant supporting Sinhala, Tamil, and English.

Technologies: Python | FastAPI | React | LangChain | PostgreSQL | pgvector | LLMs | RAG

EDUCATION

Bachelor of Information & Communication Technology
Uva Wellassa University of Sri Lanka
Expected Completion: October 2026

Relevant Areas:

Software Engineering • Database Systems • Web Development • Distributed Computing • Information Security • Artificial Intelligence • Machine Learning

CORE COMPETENCIES

- Problem Solving | Troubleshooting | Effective Communication | Teamwork | Time Management | Project Coordination | Leadership | Critical Thinking | Organization

CERTIFICATIONS

- Certificate of Completion – Machine Learning Using Python
- Certificate of Completion – Introduction to Artificial Intelligence
- Certificate of Completion – Azure Fundamentals
- Certificate of Completion – Cyber Security
- Certificate of Completion – CAPM

EXTRACURRICULAR ACTIVITIES

- Co-Director of the Professional Development Avenue, Rotaract Club, Uva Wellassa University (2024- 25).
- Member of Leo Club , Uva Wellassa University (2023-24)
- Degree Representative, IEEE Student Branch, Uva Wellassa University (2023-24)
- Degree Representative , Gavel Club, Uva Wellassa University (2024-present)
- Member of Debate Circle, Art Club, Uva Wellassa University
